

# °eclipse

Meet eclipse, a family of indirect lighting discs. with the lights turned off, eclipse can serve as a design object or mirror.

With the lights turned on, eclipse transforms into a wall or ceiling light with an indirect light source giving you a solar eclipse effect.

Three different sizes give you the opportunity to combine them in different ways and create your own design.

Design by Eden Design

diam 1100 - 43.30

diam 900 - 35.43

diam 600 - 23.62
