

°bevel

The °bevel collection is being expanded with a surface mounted, recessed and a pendant monopoint version.

°bevel, known for its unique details at the top and bottom now have a new feature: a beautiful glass lens.

The fixture can also be combined with °line S, °bloc and °micr'online collections. °bevel comes in different aluminum finishes.

°bevel recessed - bronze brushed

°bevel surface - bronze brushed

°bevel recessed - pendant - surface / bronze brushed
